THE COMPLEX

The High Range has been under the personal supervision of the Vastano family for the past thirty-three years, where the standards and style have been influenced by continuity and continental flair.

The Complex is situated in its own birch woodland park at the foot of Craigellachie Nature Reserve at the south end of Aviemore on the B9152 road directly opposite the Coylumbridge B970 road leading to Loch Morlich and the ski slopes, commanding a splendid view of Craigellachie Nature Reserve, the Lairig Ghru Pass, and most prominent of all, the peaks and ski-runs of the Cairngorms.

Our guests enjoy the seclusion and privacy of the complex woodland, and yet are only a five minute walk from the Aviemore Centre.
